ARVAS Standards accreditation

Quality Innovation Performance Limited (QIP) is a certification and accreditation organisation dedicated to supporting health and community services to manage safety, risk and quality through the provision of accreditation, certification and quality assurance services.

About ARVAS

The Australian Retirement Village Accreditation Scheme (ARVAS) is the main accreditation scheme for retirement village and seniors housing operators in Australia. ARVAS is co-owned by two organisations Property Council of Australia and Aged & Community Care Providers Association (ACCPA).

QIP is the exclusive and independent provider of accreditation for ARVAS and is committed to supporting retirement village owners and operators on their quality improvement journey.

The ARVAS Standards

The ARVAS Standards are designed to work directly with the Retirement Living Code of Conduct, which is the sector's self-assessment tool.

Any organisation wishing to apply for accreditation under ARVAS must be an active subscriber to the Retirement Living Code of Conduct.

The ARVAS Standards are comprised of seven quality areas:

- Standard 1 – Community Management
- Standard 2 – Human Resource Management
- Standard 3 – Resident Entry and Exit
- Standard 4 – Resident Engagement and Feedback
- Standard 5 – Community Environment, Services and Facilities
- Standard 6 – Safety and Security, and
- Standard 7 (if applicable) – Resident Care.
